MT. STERLING, KENTUCKY, TUESDAY, JULY 6, 1920.

NUMBER 76

Chamber of Commerce Organized Here Today

About fifty prominent business men gathered at Lloyd's Cafe at noon today and organized what will be known as a Chamber of Commerce. A preliminary meeting was held at the Tabl Theatre last Friday at noon when H. G. Hoffman was elected president of the organization; P. D. Bryan, vice president; J. H. Keller, treasurer, and Stewart Sharp, secretary. There were thirty-three present at this meeting and much enthusiasm was manifested and it was decided to hold another meeting today. At the first meeting an elegant lunch was served by Mrs. W. B. Small and the time most enjoyably and profitably spent. In the selection of officers none better could have been made from the public-spirited and hustling president, on down. An organization of this character is badly needed here and we believe will accomplish much good. The idea of forming such a club was conceived by H. G. Hoffman and members were solicited by J. H. Keller, J. W. Hedden, Jr., C. B. Patterson and P. D. Bryan. Carroll Chenault presided over the initial meeting which was a very inspiring one, splendid talks being made by C. B. Patterson, R. L. Coleman, W. H. Wood and others.

At the meeting today were present Frank Jones, president of the Lexington Chamber of Commerce and F. C. Dunn, secretary, who assisted in perfecting the organization. A delightful plate dinner was served by Mrs. W. W. Enbank and her Sunday School class after which the men went into a business session. This meeting was a rousing one and the Chamber of Commerce bids fair to do much in the upbuilding of Mt. Sterling and its business interests. The next meeting will be Wednesday July 14th at 12 o'clock. Every business man in the city is invited to become a member and co-operate in the upbuilding of our city and county. Let's all put our shoulder to the wheel and see what can be accomplished.

NOTICE!

A dividend of one and one-half per cent (1 1/2 per cent) on the par value of each share of preferred stock of this company for the quarter ending June 30, 1920, has been declared payable on or before July 15th, 1920, to preferred stockholders of record at close of business June 30, 1920.

KENTUCKY UTILITIES CO.
(76-21) A. A. Tuttle, Secretary.

M. R. HAINLINE ILL AT LEXINGTON HOSPITAL

Millard R. Hainline, of this city, has been quite ill for the past week and has been taken to St. Joseph's Hospital, Lexington, for treatment. Mr. Hainline will likely undergo an operation the latter part of the week.

LOST

On streets or at the Chautauqua grounds, Friday night, a pearl necklace with diamond clasp. Reward if returned to Robt. L. Vanarsdell.

CELERY PLANTS FOR SALE

\$1.00 per hundred. Call 714 and place your order a day before you want them.

Paralysis Fatal To E. B. Gibbons

After lingering for a short period after receiving a stroke of paralysis E. B. Gibbons passed into eternity on Saturday morning, July 3rd, aged 58 years. He was born in this county and from the age of twenty-one years had been engaged in business in this city where he was well known. He was buried from the home of his sister, Mrs. P. McNamara on Monday morning after service at the grave in St. Thomas cemetery. He is survived by three sisters, Mrs. P. McNamara, of this city, Mrs. William Amis, of Lockland, Ohio, and Mrs. James Flarity, of Lexington, and two brothers, John Gibbons, of this city, and Frank Gibbons, of Middletown, O. Having been in business here these many years, his going removes a familiar face from Maysville street where, for 37 years he had been a conspicuous figure. We tender our sympathy to those who sorrow and direct them to Him who calms troubled hearts.

Clay Cisco Appointed State Road Inspector

Our good friend and neighbor, Clay Cisco, an ardent Republican and most excellent citizen and untiring business man, has been chosen as road inspector under the new Kentucky road commission and has entered on his duties in Bell county. This is a responsible position and we do not hesitate a moment to say Mr. Cisco will be as faithful to the state's requirements as he is to his own personal duties. That he will give full time and the state will prosper by his labors. This is a wise appointment and we take this opportunity to commend the administration in their seeking a capable and industrious man who will properly care for the state's interests. Mr. Cisco was a candidate for the Republican nomination for Railroad Commissioner of this district at the last state primary and his withdrawal from the race was only due to farming interests that demanded his attention and his manner of conducting his campaign won friends and landed this appointment. Congratulations.

ACCEPTS POSITION

Everette Stafford, of this county, has accepted an excellent position as District Manager with the Wear-U-Well Shoe Co., of Columbus, O., and has assumed his duties. Mr. Stafford will have as his territory the states of Kentucky, Ohio and West Virginia, and with his untiring energy and close attention to business, will make his company a valuable man.

BUY RESIDENCE

Cravens & Turpin, the real estate agents, sold Thursday for Mrs. Nannie E. Ralls, her modern bungalow on West Locust street to John Boaz, of Bath county. Price paid for the property was \$4,000 and possession will be given at once.

LOST

Mosnie, crescent shaped breast pin. Return to this office and receive reward.

The Advocate, twice a week.

COX NOMINATED BY UNANIMOUS VOTE ON FORTY-FOURTH BALLOT

James M. Cox, Governor of Ohio, was nominated for President of the United States in the Democratic national convention at 1:40 o'clock this morning. The nomination came at the conclusion of a 44 ballot struggle in which he had steadily beaten down the forces of William G. McAdoo, former Secretary of the Treasury, and President Wilson's son-in-law.

When the balloting on the 44th vote had gotten to a point where Cox had 702 votes and was rapidly approaching the necessary two-thirds of 729, Sam B. Amidon, of

JAMES M. COX, OHIO

Kansas, manager of the McAdoo forces and vice chairman of the Democratic National Committee, took the platform and moved that the nomination of Governor Cox be made unanimous.

Immediately there was a roar from the tired and worn delegates which lasted for a full four minutes before Chairman Robinson could put the question on Amidon's motion to suspend the rules and nominate Cox by acclamation.

Motion Voted Over

At 1:43 o'clock this morning the motion was formally voted over with a rolling chorus of ayes and a crashing of the brass bands.

States standards which had surged back and forth in the desperate battles of the deadlock raced to the front of the hall and to a place before the platform.

In the confusion and excitement of the nomination for the Presidency, the convention forgot about a nomination for the Vice Presidency, but the leaders were figuring on a list which prominently included Franklin D. Roosevelt, of New York, Assistant Secretary of the Navy. While the crowd was demonstrating its release from the deadlock the leaders arranged an adjournment until noon today to canvass the question of second place in the meantime and meet again prepared to complete the ticket.

Starts Late in Afternoon

The Cox band wagon movement really started late Monday afternoon before the recess for dinner New York's vote stood 20 for McAdoo and 70 for Cox. During the interval both sides of the fight made desperate appeals to Tammany. Throughout the evening New York's vote stood 20 for McAdoo and 70 for Cox.

On the third ballot of the evening session the slide to Cox started, and before the leaders of the opposition could realize it, the votes were flooding over in twos and threes and fours in a fashion which sent him over the majority mark and put him at new level. After that the going was easy. Georgia went into the Cox column with her entire 28. The withdrawal of Attorney General A. Mitchell Palmer had released not only the Pennsylvania delegation. Delegates Rush From Hall. With the nomination the conven-

tion gave an exhibition of relaxed energy. After dancing the hopping about the Auditorium for five minutes or more the delegates cleared out, leaving the big hall abysmal and dark, a litter of torn papers, banners, ribbons, flags and other abandoned paraphernalia and a mass of dis-arranged chairs.

A Presidential candidate had been nominated after 44 hard fought ballots which had threatened to eclipse the celebrated 46-ballot battle to nominate Woodrow Wilson, in Baltimore eight years ago. Some pretty hot animosities had been stirred up and some pretty fierce charges had flown back and forth in the hurried conferences which had been going on all through the fight.

But the moment the nomination was made unanimous all the factions seemed to join in the demonstration.

Cox Men Not to Dictate Vice President.

Manager Moore, of Ohio, the center of a large group of admiring friends who were showering congratulations upon him, said: "We did it without making a single promise, not even for a postmastership." Asked about the Vice Presidency, Mr. Moore said:

"Of course, I have had men in mind, in fact, two of them at the present moment, but now I will not even mention them. We will not attempt to dictate unless it is necessary in order to get a strong running mate for a strong candidate."

Within twenty minutes after the convention hall had resounded with the rip-roaring shouts of the victors and the blare of the brass band, the crowd rushed through the doors and the big fight was over.

Local Cox Club Organized Today

What is believed to be the first Cox Campaign Club to be organized in the United States, was organized here at a nearly hour this morning with 53 charter members.

Col. W. P. Huntington, a close personal friend of Gov. Cox, was elected president, with C. B. Patterson, vice president, R. L. Coleman, secretary and Albert A. Hazelrigg, treasurer. The organization now on temporary will be made permanent within the next few days.

The following telegram was sent early this morning to Gov. Cox:

Hon. James M. Cox,
Dayton, Ohio.

The First Cox Campaign Club of Kentucky was organized here at 8 o'clock this morning, with fifty three charter members. Temporary officers elected as follows: President, Webster P. Huntington; Vice President, Clark B. Patterson; Secretary, Robert L. Coleman; Treasurer, Albert Hazelrigg. We send you greetings and promises of unwavering support. (Signed)

First Cox Campaign Club of Kentucky.

STORM DOES DAMAGE.

Considerable damage was done to property in this county late Saturday afternoon by the electrical storm which was followed by hail in some sections.

The garage of Attorney W. C. Hamilton was struck by lightning as were three barns on Colonel Gatewood's farm, one on R. G. Owings' farm, and a barn owned by Hanly G. Ragan. Much tobacco and other growing crops were injured by the hail storm.

Chautauqua Pleasing Large Crowds

The Redpath Chautauqua which opened a week's engagement in this city last Thursday, has been enjoying large crowds and the programs which have been rendered have met with the hearty approval of all in attendance. The program for the remainder of the week's engagement is a splendid one and includes Gilbert & Sullivan's opera "H. M. S. Pinafore" tonight; a lecture by Donald H. McGibbeny on "Modern Unrest" Wednesday afternoon; an American comedy Wednesday night, "Nothing But the Truth"; on Thursday afternoon will be the children's pageant, "The Good Fairy, Thrift" and a musical concert; Thursday night—Swiss Singers and Yodlers, and a lecture by Ralph Parlette, "Human Efficiency." The Chautauqua this year is one of the best ever seen here and it is felt its return next year is assured.

At The Top

Charlie Perkins, wife and son, of Louisville, were here Saturday visiting Mr. Perkins' grandparents. They were enroute to Tilton, on a two weeks' vacation. Charlie was formerly connected with the Advocate, beginning as devil in the office. At the very beginning we could see Charlie was destined for the top, for there was never a job too big for him to undertake and when begun he was certain to continue to the finish. We remember now there was a time when we had a contract to make 22 sets of ballots and he and C. B. Stephens who continues with us, were the only two that worked on through 15 days and nights with J. W. Hedden, Sr. When the ballots were made and delivered to the express company we were all worn out but no county was disappointed. Fourteen years ago Charlie went to Louisville and engaged with the Bradley-Gilbert Co., and now he has charge of a press room in one of the largest printing establishments in Louisville and enjoys a fine salary. Charlie is happily married and has a son 9 years old. We have presented Charlie Perkins' career in full that other boys with pluck may begin as did Charlie at \$1.00 per week and go to the top.

NEGRO SUICIDES

August Simpson, 26 year old son of Miller Simpson, well known colored citizen, committed suicide Thursday night by swallowing carbolic acid at the home of his parents near this city. He had lately been released from the army, having been in service for over two years. It is thought that some kind of serum treatment taken while in the service caused Simpson's mind to become unbalanced and this was the reason for his rash act. Funeral service and burial took place Friday.

RETURNS TO KENTUCKY

Dr. H. H. Hibbs well known in this section, who has had charge of college work at Murfreesboro, Tenn., raising an endowment fund for the Baptist college there, has accepted a call to the Smithland Baptist church. This will be good news to the Baptist people of this section.

Fifty Years In The Same Business

John W. Jones, at the age of 10 years, 50 years ago, began the jewelry business in this city. Two and one-half years he worked for P. L. Reese and for Saint Julian one and one-half years. For forty-six years he has been in business for himself. Barring one year when he was at Versailles he has been active at the bench or behind the counter as salesman this number of years, and from a small beginning Mr. Jones has grown with his trade until today his store, J. W. Jones & Son, is one of the largest with the most costly goods of any store in Kentucky. His trade is not confined to our own city and county but he has a fine trade over the state and in the surrounding counties. Rare brilliancy adorns his cases, and the trade considers Mr. Jones' opinion worth while in the naming of qualities and values of rare stones.

Returning from Versailles after the expiration of one year Mr. Jones rented a window of the late and lamented J. W. Harrah, and his business soon began to grow. Both Messrs. Jones and Harrah's birthdays were July 2nd and on that day they celebrated and the Glorious Fourth as well. From the dates above given it will be observed Mr. Jones is 66 years old and it is our pleasure to say, he is as vigorous as when he began his trade and works as continuously now as then. Mr. Jones was married May 16, 1880, to Miss Lena Lane, and together they have labored to earn the competency they now enjoy. They have two sons, Prof. Henry L. Jones, Superintendent of Pineville public schools and John Ross, a partner with Mr. Jones in business. Both sons are of high caliber.

It is seldom we have occasion to note successes of a firm of so many years' duration, and this is one that will interest the many friends of Mr. Jones.

In addition to the duties of his business Mr. Jones has been chosen a member of the city council and for this position he gives the same care and thought as he does to his personal interests. May Mr. Jones and his worthy family continue to adorn business and other interests and enjoy many years of undisturbed prosperity.

Divide Series

The Mt. Sterling baseball team and the Louisville Calumets crossed bats on the local lot Sunday and Monday afternoons, the Louisville boys winning a one-sided game Sunday by the score of 9 to 0, the locals playing listless ball. On Monday the tables were turned and the local boys won a beautifully played 11 inning affair by the score of 4 to 3. Greene started in to pitch but the Louisville boys got to him for 3 runs in the first inning and he was yanked and Wells substituted, who held the visitors scoreless for the remainder of the game.

EXCHANGE

On Saturday, July 17th, the ladies of the Catholic church will have an exchange. Place will be announced later.

Aids to Grace and Beauty

by Priscilla Dean

Did you ever notice, how much younger a girl looks at 26 than she does at 16? Of course this is not true in all cases, but if you will look carefully and observe the young flappers going to and from school, you will often see flowing veils, earrings, exaggerated style and paint and powder to the extreme.

Now don't get angry girls, for really you know this is so. I, know too. I was sixteen myself, once.

The reason for this is a tendency to emulate the older women and girls, to grow up too quickly and by so doing the young sub deb loses of her charm—the greatest charm there is, the charm of youth. She adds years to her age and unconsciously does the very thing every woman tries to avoid, she makes herself old.

Ten years later she has more sense. She realizes that the flowing veil, the French heels and the paint, whisper of maturity and she discards them for the ingenuis dress and hats that would fit little sister.

Look around at the thousands of girls who work in the city every day. Most of these stenographers, typists, clerks and shop girls are nearer 35 than they are 16 and if you will observe you will notice that the majority wear flat heels, Norfolk or tailored suits with severe sailor hats or close fitting turbans. They have to keep their precious youth, not throw it away like the young school girl.

Now don't think I'm a crank or want to keep you from having pretty clothes or up-to-date models—I don't, but I simply want you to look your very best in the clothes that are most becoming.

I have received many letters requesting information relative to

When a Woman is Nervous—Worried

Most women neglect their health, and for this they pay the penalty. Any woman will find that neglect does not pay. A little more attention to health would brighten up her life. If she asks her neighbors she finds that Dr. Pierce's Favorite Prescription benefits a woman's whole system. It not only acts upon the troubles and weaknesses peculiar to women, but is an all-round tonic that braces the entire body, overcoming nervousness, sleeplessness, headaches, dizziness and a run-down condition.

All druggists. Liquid or tablet form. Send 10c. to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for trial package.

ATHENS, TENN.—"I have been ailing with feminine troubles for 25 years, and thought I would never be well. I had five different doctors, and was confined to my bed at times. A friend told me to try a bottle of Doctor Pierce's Favorite Prescription, and I got a bottle and took it, and felt

so much better that I have never been without it since."—MRS. BECKEY CAIN, R. F. D. 4

"I Could Not Ask To Feel Better"

Had Terrible Nervous Chills and Could Hardly Digest a Thing Before Taking Tanlac

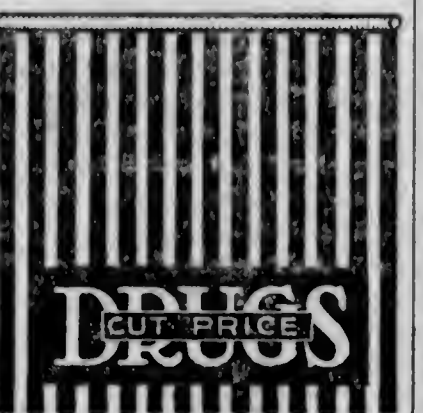

"I just couldn't ask to feel better than I do now since I've taken Tanlac," Miss Oma Yates, a popular forewoman for the Martin Broom factory, living at 426 East Jacob street, Louisville, Ky.

"I just hate to think of the awful condition I was in only a few weeks ago with my stomach badly out of order and my nerves almost completely broken down. I had a poor appetite and even the light food I did eat disagreed with me and caused me awful suffering afterwards. I often had terrible nervous chills and my sleep was broken and restless. Every morning I felt so weak and worn out I hardly had strength enough to go to my work.

"My uncle had been taking Tanlac and was so well pleased with it he advised me to try it. I have taken only three bottles but I have improved so wonderfully that I am already feeling like a different person altogether. My appetite is just fine and I am eating anything and everything I please without suffering afterwards at all. My nerves are as steady and calm as can be and I have not had a nervous chill since I first started taking Tanlac. I have a splendid color and I am enjoying perfect rest and sleep every night. My work is now a real pleasure because I am feeling strong and healthy and full of life and energy." Tanlac is sold in Mt. Sterling by Land & Priest.

THE SUCCESS FAMILY

The father of Success is Work.
The mother of Success is Ambition.
The oldest son is Common Sense.
Some of the other boys are Perseverance, Honesty, Thoroughness, Foresight, Enthusiasm and Co-operation.

A FAMILY MEDICINE

In Her Mother's Home, Says This Georgia Lady, Regarding Black-Draught, Relief From Head-ache, Malaria, Chills, Etc.

Ringgold, Ga.—Mrs. Chas. Gaston, of this place, writes: "I am a user of Theodor's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."

Theodor's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit. If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless something is done, serious trouble may result. Theodor's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theodor's, the original and genuine. M 79

CUMBERLAND TELEPHONE AND TELEGRAPH COMPANY INCORPORATED

MORE CANNING IS URGED THIS YEAR

Home canning—of utmost importance during the war—will be just as important this year, according to present indications as they are viewed by the United States Department of Agriculture. Conditions on the farm make it necessary for the canneries to pay high prices for the commodities that will be canned later in the season.

Labor in the canning factories is expensive and difficult to obtain. Everything, from cans to cartage costs, has increased in price, and transportation is slow and more expensive than it was in war times. All this increase must be paid by the ultimate consumer; and there is not even assurance that there will be enough canned products to go around. The solution is home canning.

That sugar is higher in price than it has been hitherto is advanced by some as a reason for canning either less fruit or nothing but vegetables; but unless one intends to give up sweets altogether there seems no good reason for not using canned fruit on account of high-priced sugar.

There are few desserts that do not take from one-half cup of sugar, and no one dessert is more healthful than fruit. It is not necessary to use such thick syrup as was used in the days of plenty. A ten per cent syrup made of one part sugar and nine parts water will make palatable any of the acid fruits.

Such fruits as apples, pineapples, and the like can be canned without sugar. In fact, ordinary glucose or corn syrup may be substituted for sugar in making the syrup. A palatable syrup is made by mixing one-half cup sugar, one cup glucose and eight cups of water.

It requires about seven ounces of sugar for a pint jar. One cup of sugar will make ten cups of syrup. A pound of sugar will make twenty

The Most Welcome Tire That Ever Came to Market

Men Who Appreciate Superlative Values Prefer The Brunswick

In every great tire factory, the chief question is: "How much can we give for the money?" And the product depends on the policy adopted.

Every man who has become acquainted with Brunswick Tires knows that Brunswick standards are again evident. This famous concern—noted as a leader in every line it entered since 1845—has once more proved that its policy is right.

A perfect tire is simply a matter of knowledge and standards and skill. No secrets nor patents prevent making an ideal tire.

But standards come first. For in tire making there is vast room for skimping, for subtle economies, for hidden shortcomings. Makers without the highest standards don't build high-grade tires.

The Brunswick organization of tire makers includes a brilliant staff of technical experts. Not a man

among them has spent less than 20 years in handling rubber.

Each is a master of his craft. And the new ideas they bring to the attention of Brunswick directors receive sincere consideration.

Every proved betterment is adopted unanimously.

The Brunswick Tire is a combination of acknowledged features—plus Brunswick standards of manufacture.

The result is a super-tire, the like of which you have never known before. The kind of a tire you will gladly join in welcoming.

Yet Brunswicks cost no more than like-type tires.

Try ONE Brunswick. We promise a surprise. And we feel certain that you will want ALL Brunswicks.

Then good tires will have a new meaning to you.

Dalton ADDING-CALCULATING MACHINE

Every Factory Department Can Use a 10-Key Dalton

Every department of a manufacturing plant having any figuring work to do should be equipped with a 10-Key Dalton.

We say "a 10-Key Dalton" because its simplicity and broader usefulness in handling figure problems make it the ideal figuring machine for every department.

The Sales Manager can make out an estimate or figure quota percentages, add up sales or do any of the figure work that constitutes his records. He doesn't need to hunt up an adding machine operator—he can use a Dalton himself.

The Shipping Room, Pay Roll Department, General Accounting Division, Shop Office, all can use Daltons. A simpler, faster adding machine which multiplies as easily as it adds, multiplies faster than any ordinary calculating machine, and which is operable by any one in the organization, from office boy to President.

Phone for Demonstration

The rising labor market has so increased the demand for Daltons that we have doubled and TRIPLED our manufacturing capacity. You are never short a Dalton operator. Any girl, boy or man in shop or office can be put on a Dalton and self-train into an expert in a very short time. A Dalton invites use. Why not phone and have a Dalton demonstration in your office.

You Are Getting Weaker Every Day

Many Others Suffered the Same Way Until They Tried PEPSINOL

You are trying to "keep going," just as lots of other people have done. You are hoping you will soon feel better, but you feel worse each day. Your strength becomes less and less. You are nearing the breaking point. Are you going to wait until you give out completely, when Pepsinol is ready to help you?

Pepsinol is a wonderful tissue builder and strength maker. It combines ingredients that strengthen digestion, stimulate the appetite and make rich, pure, nourishing blood. This is what you need—that is why Pepsinol will help you.

W. S. Lloyd, Druggist

cups. This last amount will be sufficient for twenty pints of canned fruit. Where the 10 per cent syrup is used the cost of the sugar to can a pint jar is one and one-half cents with sugar at 30 cents a pound. It is not so expensive after all.

ACTUAL COST OF PRODUCING WHEAT

The cost of producing the wheat of the 1919 crop was as low as \$1 a bushel on just two farms out of the 481 included in a cost production study just completed by the United States Department of Agriculture. On 20 farms it was over \$5. The bulk of the farms produced wheat at a cost somewhat less than midway between these two extremes. The average cost per bushel for all farms was \$2.15. At such a price, half of the farmers would have lost money on their wheat.

The man who tells you that he never lets pleasure interfere with his business, either hasn't much business or little pleasure.

Catarrhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.
We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. T.C.

ANNOUNCEMENT

We are authorized to announce

JOHN G. WINN, of MONTGOMERY COUNTY,

as a candidate for the office of

Circuit Judge of the Twenty-first District of Kentucky,

subject to the action of the Democratic voters at the primary election to be held on August 7, 1920.

SOMETHING NEW IN JOURNALISM

A few days ago Hon. John G. Winn, of this county, appeared in the office of the Rowan County News at Morehead and offered his paid announcement as a candidate for Circuit Judge, subject to the action of the Democratic party at the primary, August 7th. The announcement was declined, not on the ground, we are sure, of the candidate's inability to pay. What was the reason, we are not informed. It occurs to us it must have been one of several. First, it was at political variance with the editor, and his custom was to prevent such from coming before the people. Second, it may be the editor has a preference as to candidates and did not care to have Mr. Winn become acquainted with his patrons. Then it might have been he did not care to have Mr. Winn measure with his candidate in qualifications and fitness. Any of these reasons, or any other to our minds, are not just to the patrons of the Rowan County News, and such tactics as these will do its favored candidate no good. The editor should have a word to his patrons, giving his reasons for declining to publish Mr. Winn's announcement.

EDUCATIONAL TOOTH TALK—I A FOREWORD

When nature completed the perfect man, he was endowed with perfect teeth—the most necessary perhaps of all his endowments for they give him health, happiness and beauty. When his teeth are imperfect his health and happiness are endangered; his appearance becomes sadly changed. Dental science can now prevent or repair all these imperfections; and the purpose of

these TALKS is to point out the various ailments, symptoms and diseases in the belief that once they are brought to notice a measure of precaution will be used for their prevention.

This is one of a series of articles that will appear each week under direction of the Supervising Dental Surgeon, United States Public Health Service.

Dr. H. M. WRIGHT,
Traders Bank Building.

Salient Features in Democratic Platform

The Democratic platform as adopted by the National Convention at San Francisco—

Hails with patriotic pride the great achievements for country and world by a Democratic administration under Woodrow Wilson's leadership.

Favors League of Nations as surest, if not only practicable means of maintaining the peace of the world and "advocates immediate ratification of the treaty without reservations which would impair its essential integrity, but do not oppose acceptance of reservations making clearer or more specific the obligations of the United States to the League of Nations.

Praises administration's conduct of the war, invitation of President to Republicans to aid and counsel and pays tribute to Pershing's genius.

Reviews great record of eight years under Woodrow Wilson and points to achievements of Federal Reserve Act and the financing of the war.

Condemns failure of Congress to respond to demands of President and the country to revise existing tax laws.

Points out false economies of Republican Congress.

Says Republicans' failure to restore peace conditions is principal cause of post-armistice inflation, and says high cost of living can be only remedied by increased production, governmental economy and legislation against profiteers.

Reaffirms traditional policy of Henry Watterson of "tariff for revenue only."

Favors creation of effective budget system, and condemns Republican Senate for failure to pass amended bills which would have provided system.

Demands alteration of Senate rules to permit prompt transaction of the nation's business.

Points out Federal Farm Loan Act, Smith-Lever Agricultural Extension Act, Bureau of Markets, Bureau of Farm Management, Cotton Futures Act, Grain Grades Bill, Cooperative Farm Administration Act and Federal Warehouse Act, among things done by the party for rural population.

Recalls to labor that the party established the Department of Labor.

Upholds the right of organization and collective bargaining, but says no class should at any time take steps which would put in jeopardy the public welfare, and oppose compulsory arbitration.

Indorse proposed woman suffrage amendments and urges Democratic

Governors of Tennessee, North Carolina and Florida to unite in an effort to complete the process of ratification.

Urges co-operation with the states for the protection of child life through infancy and maternity care, in prohibition of child labor and by adequate appropriations for children's and women's bureau in the Department of Labor.

Advocates various forms agreeting women in industry.

Points to establishment by Democratic Administration of War Risk Insurance Bureau, goes on record for richest bounty for crippled service men and dependents of those who died in the service.

Pledges party to enactment of soldier settlements and home and legislation.

Urges fair and complete test of Esch-Cummings law until mature action of Congress can cure its defects and insure a thoroughly effective private ownership system of transportation.

Favors increased use of motor vehicle in transportation of mails and points out benefits of Federal Road Act of 1916.

Points to growth of Merchant Marine established by Democratic administration.

Calls attention to failure of Republican platform to recognize rapid development of large transportation on inland waterways and favors liberal policy for its development.

Points out benefits of Food Control Act.

Favors appropriations for continuation of reclamation of arid lands.

Indorses Federal Trade Commission.

Favors enactment of legislation for the supervision of interstate live stock markets to regulate price of meats.

Says Mexican government will be recognized when it proves ability to maintain law and order.

Recognizes growing oil industry and pledges enactment of laws protecting rights of operators.

Expresses sympathy with aspirations of peoples of new nations.

Repeats previous expressions of sympathy of the Democratic party for aspirations of Ireland for self-government.

Expresses sympathy for Armenia and believes government should aid to establish government of its own.

Favors independence for Philip-

Have Ford Mechanics Repair Your Car

The mechanics in our shop who will adjust or repair your Ford car, or Ford truck, are men who understand the Ford mechanism and know the Ford way of making repairs and replacements. They are experienced Ford mechanics and because of their familiarity with Ford cars can do your work more intelligently and more quickly than other skilled mechanics who lack Ford experience.

The work on your car will be done in a completely equipped shop with time-saving Ford tools and equipment. Whether your car needs an adjustment or a thorough overhauling, we are prepared to give you careful and prompt service. And nothing but the Genuine Ford-made parts and replacements will be used. When the work is finished, the charge will be the reasonable, standard Ford prices.

Our stock of Ford parts is always complete. And our Ford garage and Ford mechanics are at your service at any time. We are Authorized Ford Dealers and not only repair Fords but also sell them. Drive in or 'phone. Be fair to your car and your pocketbook

ANNOUNCEMENT

The following announcements handsomely engraved have been received by friends and relatives in this city:

Mr. and Mrs. Daniel L. Rickett announce the marriage of their daughter
Grace Harriett
to

Mr. Charles Thomas Mason
on Saturday, the third of July
One Thousand Nine Hundred and Twenty
Akron, Ohio.

Mr. Mason, who holds a responsible position with a tire company at Akron is a former resident of this city. He is a son of Mr. and Mrs. Robert A. Mason and is widely and prominently connected.

His bride is said to be a beautiful and cultured girl and comes of one of Akron's oldest and most aristocratic families. The young couple will make their home in Akron.

Pure apple butter made from granulated sugar. In pints, quarts and gallons.—S. P. Greenwade, phone 431. (74-24)

WANTED—To buy a second hand coal or wood range.—Dr. S. E. Spratt.

DR. BOARD HERE

Dr. Milton Board, of the Bureau of Venereal Diseases for the United Public Service, and member of the State Board of Health, is here today on business connected with his office. Dr. Board addressed a meeting this morning in the offices of County Judge E. W. Senff, outlining his ideas in regard to closing the houses of ill fame now in existence in this city. At the meeting today there were present the city and county officials. A number of prominent club women and members of the local press.

PERSONALS

Mrs. F. D. Richardson is visiting in Dayton, Ohio.

Miss Leota Henderson is visiting friends in Carlisle.

C. F. Edens and wife, of Mariba, are here visiting for a few days.

Miss Thelma Jones, of Louisville, is the guest of Miss Louise Smathers.

Carl Danewood, of Clifton Forge, Va., is the guest of Miss Dorothy Tyler.

Miss Elizabeth Delaney, of Winchester, is the guest of Miss Frances Faulkner.

Mrs. Ludusky Gatewood, of Louisville is here for a visit to her sister, Mrs. R. F. Mastin.

W. B. Allen, of Paris, visited his sister, Mrs. Thomas Scott from Saturday until Monday.

Miss Laura Gill Hoffman has returned from a visit to Mrs. J. Ed. Grubbs in Winchester.

Mr. and Mrs. Charles Daugherty, of Lexington, are guests of their daughter, Mrs. John G. Roberts.

Misses Fannie Lane and Belle Crockett spent the week-end with friends and relatives in Moorefield.

Mrs. George W. Warwick, of Pittsburg, arrived Sunday for a visit to her parents, Mr. and Mrs. T. B. Rodman.

Mrs. J. T. Hendrick and granddaughter, Mary Lou Wrase, of LaPorte, Ind., are guests of Mrs. John McDonald.

Miss Julia Wyatt, of Louisville, is spending her vacation with her parents, Mr. and Mrs. C. T. Wyatt, near Camargo.

Miss Elizabeth Clay Highland will leave Thursday for Lancaster to attend a house party to be given by Miss Edna Berkele.

Robert Armstrong has returned to his home in Miami, Florida after a visit to his sisters, Mrs. Clarence White and Mrs. Will Highland.

Miss Leona Johnson has returned to her home in Charleston, W. Va., after a week's visit with Mr. and Mrs. August Wilson, of this county.

Mr. and Mrs. Edward R. Prewitt, Misses Elizabeth and Kenney Prewitt, Miss Frances Kennedy and Edward Prewitt, Jr., spent Sunday at Olympian Springs.

Miss Carolyn Ratliff, of Lexington, is the guest of Miss Adelaide Gay.

Mrs. C. M. Russell, of Paris, is the guest of her daughter, Mrs. John M. Barnes.

Mrs. Joe S. Wilson, of Bagdad, is visiting her father's family, George E. Owings.

Mrs. Henry L. Jones has returned from a visit to relatives in Holly Springs, Miss.

Miss Mary Galloway Ratliff, of Sharpsburg, is the guest of Miss Katherine Ratliff.

Miss Jane B. Cox, of Sacramento City, Cal., is visiting her grandfather, Wm. Sledd.

Mrs. J. Will Miller, of Paris, Ill., is here this week visiting her cousin, Miss Ella Trimble.

Mrs. Thomas Threlkell, of Nicholasville, is here the guest of her brother-in-law, N. H. Trimble.

Carroll Chenault, Jr., has gone to New York to take a six weeks course at Columbia University.

Miss Elizabeth Hutton, arrived today at noon, for a visit to her grandmother, Mrs. Thomas Johnson.

Miss Emma Cooper has returned from Lexington where she was a guest at the Turner-Cloyd wedding.

Miss Nancy Clay and her guests, Miss Margaret Settles, of Elizabethtown, and Miss Jane Crouch, of Bethel, are spending today in Lexington.

Dr. G. A. Walsh and wife, relatives of Mrs. Henry Senieur, motored through from their home at Gibson, Ill., reaching here Wednesday and will remain over until Thursday.

Miss Ruth Allen Scott will go to Carlisle the last of the week to visit her aunt, Mrs. Z. T. Alexander, and from there she will go to Ewing to visit her grandparents, J. E. Allen and family.

Misses Elizabeth Clay Highland, Anna B. Pinney and Ida Belle Brothier, and Hodge Morris, Harvey Prewitt and Matt Skinner, of Winchester, composed a party spending Sunday at Olympian Springs.

Mrs. Lyda Herriott, Miss Christine Herriott and Miss Neona Vansant, of Oklahoma City, Miss Florence Herriott, of Louisville, and Miss Julius Smagarsky, of Philadelphia are guests of Dr. and Mrs. Kellar Johnson, at their Country Place.

"FINN AND FEATHER CAMP."

The "Fin and Feather" Camp located on Slate Creek about five miles above the dam, has been sold by its owners to Mrs. John Stofor, Mrs. Percy Bryan, Mrs. W. K. Prewitt, Mrs. Frank Boyd, Mrs. Henry Reid, Miss Lizzie Prewitt Coleman, Miss Eliza Harris, Miss Louise Lloyd and Miss Bessie Shackelford. The new owners will remodel the place, adding a veranda, etc. Making it one of the most comfortable camps around here. Numbers of camping trips are being planned by the members who will invite their friends to share with them the pleasures of their new camp.

SOCIAL EVENTS

Swimming Party

Miss Louise Barnes entertained with a swimming party yesterday afternoon at Howard's Mill, complimentary to Miss Nancy Clay and her guests, Misses Margaret Settles, and Jane Crouch. After the swim supper was served, picnic fashion. Miss Barnes' guests were: Miss Settles, Miss Crouch, Miss Clay, Miss Elizabeth Boyd, Mr. and Mrs. John M. Barnes, Mrs. C. M. Russell and Messrs. James Bigstaff, Ah. Oldham, Rex Hull, Hodge Morris and William Cord.

Dance For Visitors

Miss Frances Hazelrigg, attractive young daughter of Mr. and Mrs. C. T. Hazelrigg, entertained with a dance Thursday night in the new hall room at the Tabb Theatre. The affair was a lovely compliment to Miss Margaret Settles, of Elizabethtown, and Miss Jane Crouch, of Bethel, who are the much admired guests of Miss Nancy Clay. The ball room has recently been added at The Tabb, the stage having been enlarged for that purpose, with fans placed at intervals around the floor, it has been made ideal for dancing and is considered one of the best in the State. The dance hall was beautifully decorated, and excellent music was had for the dancing. At midnight refreshments were served. Miss Hazelrigg's guests were: Misses Virginia Duff, Mary Ann Young, Elizabeth Horton, Mildred Gatewood, Mary Robinson Crooks, Ida Calk, Robin Calk, Mary Lawless Gatewood, Margaret Ramsey, Frances Hamilton, Nancy Clay, Emma Cooper, Emily Hazelrigg, Lillian Crail, Margaret Nesbitt, Mattie Pinney, Alma Cockrell, Henrietta Greene, Ruby Lee Dale, Frances Reese, Elizabeth Prewitt, Evelyn Prewitt, Anne Prewitt, Marjorie Sullivan, Ruth Darsie, Mary Sandefur, Frances Faulkner, Catherine Vandersell, Grace Jones, Louise Orear, Elizabeth Coleman, Margaret Turley, Louise Barnes, Jennol Gatewood, Elizabeth Guthrie, Helen Hall, and Messrs. French Anderson, Tom Prewitt, Allen Prewitt, Reid Prewitt, Barton Prewitt, Edward Prewitt, Aley Chiles, Allen Patterson, Carroll Chenault, George Hamilton, Paul Hunt, Russell French, Clark Patterson, Joe Conner, Lewis Judy, Glover Crouch, Jerry Coleman, Jack Wynn, Joe Bogie, Ray Vice, Sidney Calk, Hodge Morris, Harold Blevins, Ashby Blevins, Brooks Blevins, Cook King, Chas. Jones, Homer French, Ernie French, Jameson Jones, Fred Allen Ramsey, Morris Ramsey, Irwin Wood, Claude Killpatrick, Russell Greene, Harold Greene, Ross Jones, William Woodford, Chenault Woodford, John Samuels, John Walsh, John Darsie, Robert Darsie, Richard Eubank, Asa Eubank, John Allen Strossman, Ab. Oldham, Rex Hall, Floyd Stumper, William Cord, William Thompson, Box Payne, Julian Sandefur, Chas. McCahe, James Bigstaff, Ben Turner, Burwell Bourne, Finley Cisco, Joe Turley, Carl Boyd, Hezekiah Oldham, Geo. Yeaman, Hunt Priest, Harvey Prewitt, James French, John White Trimble, Robert Trimble, Preston Cook, Allie Hurdin, Irvine Jackson, Clyde Norris, Jack Owings, Jesse Hainline, Wm. Daniel, Howell Hunt, Thomas Coons, Duerson Prewitt, David Howell, John McCormick, James Pinney, Leonard Payne. The visitors included Misses Margaret Settles, Jane Crouch, Christine Thomas, and Messrs. Kenneth Davis and Robt. King.

Mrs. John Young, of Nitro, West Va., is the guest of her mother, Mrs. Joe Stephens.

Mrs. N. H. Welsh, of Nicholasville, is visiting friends in the city.

When you hear a woman has educated her husband, it may merely be meant that she has been giving him "pieces of her mind" at various intervals.

Virtue is a fault with some people.

RESOLUTIONS

We, the teachers of Montgomery County Institute, having caught a vision of the new teacher and the new education, hereby offer the following resolutions:

"First, we offer our thanks to Miss Sledd for the arrangement of the institute program and for bringing to us the splendid talent that has made the week both pleasant and profitable. We pledge our loyalty to her as the educational leader of our county and hereby resolve to carry out every plan and suggestion for the betterment of our schools of Montgomery county.

"We resolve secondly, that we shall always be indebted to Miss Adams for the many new thoughts, as well as new methods, in the educational world, that she has brought us. We promise to carry away with us the inspiration of the Great Teacher as this will make our work lighter and our hearts happier because of her visit. And resolve that we will ask her back next year.

Thirdly, we resolve to extend our thanks to Mr. Zerfoss, Dr. Carr, Mr. Orear, Mr. Smith, Mr. Johnson, Mr. Lewis and all others for their splendid addresses, and to Miss Ramey for her violin solos which added so much to our pleasure.

"We wish to express our thanks to State Superintendent Colvin for the honor of his visit. We appreciate the fact that he is the busiest man in the state, because he has the biggest job, yet he thought our county, our schools, worth a visit from him. We not only enjoyed the thrill of his oratory, the power of his personality but we shall remember his message and carry it with us back to our respective schools. We pledge ourselves anew to do better work this year because of his visit. We thank him for coming and thank Miss Sledd for inviting him.

"As a result of these influences and this institute we further resolve to teach patriotism, thrift, physical education, good music and respect for law, as outlined in the course of study as a means of making better citizens for Montgomery county, which is the mission of her public schools.

"We resolve further, in order to keep step with new ideas and in order to prepare ourselves more for our duties, we will have a reading circle, and we will attend in every way to do our duty concerning this."

Brunswick Phonograph

CHENAULT & OREAR

GET RID OF YOUR UNPROFITABLE HENS

Experience has demonstrated that it is possible to cull out the non-laying hen, sell her and thereby save the feed that she would consume and at the same time secure practically as many eggs from the fowls remaining. Farmers are urged to go over their flocks of chickens sometime during August, September or October and cull out the hens that have already shed their feathers, as they are not the hens that will lay

the most eggs during the year. It been found that as many as 15 per cent of the flock can be eliminated in this way and the farmer will still get as many eggs from the remaining 85 per cent in the meantime, save the feed that these boarder hens would consume. Circular No. 74 has just been issued by the College of Agriculture giving full particulars for this culling work. This circular can be secured by simply writing a post card to the College of Agriculture, Lexington, Ky.

TRACTOR TROUBLE IS DUE TO OILING

Over fifty per cent of all tractor troubles are due to incorrect lubrication. The writer saw a few days ago a four cylinder tractor motor which had been badly broken up due to the ignorance and carelessness of the operator.

A farmer borrowed the tractor from a neighbor and he let an inexperienced hired man operate it. One of the oil pipes in the force feed lubrication system leaked but the operator neglected to fix it or to watch his oil gauge on the crank case, and before he noticed it, enough oil was lost to allow the cylinder to get dry. The piston stuck and the connecting rod broke in cylinder No. 1, which in turn broke the cylinder wall and the crank case.

Due to the ignorance of this operator, it will cost the farmer about \$200 for repairing the tractor in addition to having to do without it just at the time when every hour of work in the field means so much in getting the work done at the proper time.

The following suggestions if put into practice will eliminate many troubles:

1. Never depend upon another man to lubricate the tractor you expect to run, but be sure personally that every part is properly oiled.
2. Study your instruction book, and learn how, when and where to lubricate.
3. Use only the kind of oil recommended by the manufacturer of your tractor.
4. Watch the oil indicating devices and be sure that they are working properly.
5. Follow the manufacturer's instruction as to how often to change the oil in the crank case of your motor. Learn how to tell when the oil has become so diluted by the heavy fuel oils working down past the piston rings that its lubrication properties have been destroyed.

Further suggestions in regard to the care, the repair and use of tractors may be obtained by writing to the Agricultural Engineer, University of Kentucky, College of Agriculture, Lexington, Ky.

The man who is so constituted that you would be willing to do most any kind of a favor for him is the one who seems to need help the least.

THE Buick Valve-In-Head motor car is internationally recognized as the "first choice car." It has gained this unusual distinction through twenty years of dependable service.

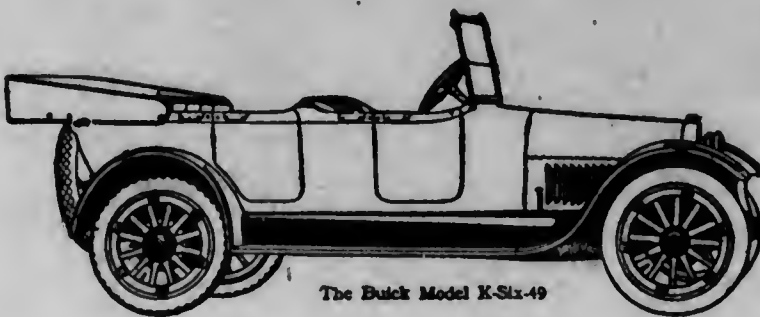

Motor car purchasers have watched the performance of the thousands of Buick cars in daily operation and they have witnessed their wonderful efficiency and endurance. Buick speed and power have proven to their satisfaction that "there is no substitute" for the Buick Valve-In-Head, and these buyers are demanding the Buick and patiently waiting for their local dealer's ability to deliver.

Each week and month this list of buyers steadily increases—those who delay in placing their orders early must expect a longer delay in ownership.

Mt. Sterling Garage

DEALERS

FARMERS CAN MAKE MONEY BY DRAINING WET LAND

There is much wet land in Kentucky where the farmers can easily remove this excess water by the use of tile drainage. In many instances the land owner can make no improvement that will pay him as large dividend in dollars as a good system of drainage. It is true that since 1916 when it cost approximately \$18 to grow an acre of corn at an average price of 87 cents a bushel, it costs about \$30 an acre to drain land. Now, the price of corn is \$2.00 a bushel and it costs approximately \$25 an acre to produce corn and the tile drainage will cost about \$60 per acre. It should be remembered that the average value of all plowed land for the State in 1916 was \$35; while the value of the same land now is approximately \$70. It is good business for a man to invest money in tile drainage if he can realize better than \$100 per cent on the investment every year. The College of Agriculture will help farmers plan the drainage system for wet pieces of land or will be glad to furnish estimates for such work.

What Mrs. Brennhorn of New York Says About Rat Poison.

"Tried preparations that kill rats, but RAT-SNAP is the only one that prevents disagreeable odors after killing. Also like RAT-SNAP because it comes in handy cakes, no mixing with other food. You don't have to dirty your hands, it's the best for household use." Try RAT-SNAP. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Chenaunt & Orear.

It is easy to be cheerful when those around you are cheerful—so, from a selfish standpoint, it is worth while to try to make happy those you associate with.

Some people rise by getting in on the ground floor of everything that comes along.

Valuable Horse Saved

Expected Horse Would Die—Now Sleek and Healthy.

In reporting his experience, Mr. J. C. Huste, of Rock Bridge Baths, Va., stated, "My horse is the best advertisement you would want for Dr. LeGear's Stock Powders. He was in a run down fix and poor and I thought he would die soon. I got some of Dr. LeGear's Stock Powders—and today he is as fine a looking horse as you can see in this section. I only used a few boxes of Dr. LeGear's Stock Powders."

Mr. Huste benefited by the advice of Dr. LeGear. By following the Doctor's advice you can also keep your stock sleek and healthy. Get Dr. LeGear's Stock Powders

from your dealer; feed it to your horses, milk cows, steers, hogs, and sheep as per directions. Satisfaction or money back.—Dr. L. D. LeGear Med. Co., St. Louis, Mo.

Eastern pros. are getting it figured out so that by following a well laid out plan a person can live on 25 cents a day. Some of them will figure it out pretty soon as a man can read over a bill of fare and satisfy his stomach by swallowing his words.

Virtue is a fault with some people.

**"WHERE THERE IS NO VISION
THE PEOPLE PERISH"**

In vain the farms and the factories produce, if food rots and manufactured goods be not distributed for lack of transportation. Political economists and many financial experts, whose views are heralded as the wisdom of sages, though wholly without value, and statesmen, so-called, with all their might proclaim that our difficulties are due to lack of production. Much of this is bosh. Our chief difficulty is not lack of production, but lack of distribution.

We cannot distribute what we produce. Coal mines are idle, not for lack of miners, but for lack of cars. Last year's grain, to the ex-

tent of many millions of bushels, has filled to overflowing the elevators in parts of the Western grain region, and is piled up on the ground for lack of transportation. Loaded cars by the tens of thousands lie idle on the tracks—we started to say for lack of locomotives, but it would be more correct to say because brain power failed to see and provide for the present situation.

"Where there is no vision the people perish," Holy writ tells us, and there was no vision in the Interstate Commerce Commission when for years it denied the need for higher rates; there was no vision when legislators in national and state aairs clobbered the railroads almost unto death; no vision when business men, without investigation, fought higher freight rates. And for lack of vision the country is perishing.

But there are others who lacked vision, and still lack it sadly, and to that lack is due much of the short-sighted vision of others. They are the railroad managers who ignored public sentiment; who thought that everything done by a railway executive was ipse dixit right and

must be so regarded by the public. They ignored public sentiment; indeed, they slapped it in the face constantly, and some of them are still doing so.

If there is any other great business which for years was as badly managed as were the railroads, we have never been able to discover it. "The public be damned" was not merely the thought of one man; it voiced the actions, unconscious, perhaps, of a large part of the executive management of most American railways, and often extended down to ticket agents and office boys. Government control made it worse, and now Railroad Brotherhood men want the public, in effect, to buy the railroads and give them to the employees at the expense of everybody else. And the lack of vision of railroad managers, of the Interstate Commerce Commission and the business men of the country in the past, the lack of vision of the Government when it surrendered its sovereignty to the Railroad Brotherhoods in 1916, is now bringing forth its fruition of poison; and that poison spells "perish," unless an antidote can be found.

The first move should be a frank acknowledgement on the part of railroad managers that, whether they are right or wrong, they want in the interest of the great public to have all of their work thoroughly investigated—not by legislative committees, but by men competent to do things. The first move to find an antidote for the poison should be a careful diagnosis, not by railroad men nor by legislators, but by committees of the ablest business men in America. Let the railroad people make the first move by asking men like Gary, Schwab, Ford and other great constructive leaders, but no Wall street financiers; farmers of the highest business ability, coal miners, lumber men, highway builders, and representatives of consumers, to study in detail railroad management, to find out why railroads have ceased to function properly, and to suggest remedies for physical management and for changing public hostility to public friendship. Then, and not until then, will the railroad executives show that they understand the real problem that they face and the seriousness of the situation.

Will they do it?—Manufacturer's Record.

ALL MOTORISTS

MUST DIM LIGHTS

The new law relative to the prohibition of glaring headlights on autos is now effective, and a number of motorists have been stopped by the police and informed of the fact. The intention of the officers

is to give due warning, but there will doubtless be arrests should there be a continued infringement of the law.

This law is being rigidly enforced in some cities and so strict are the officials that a number of arrests have been made. The practice of

using blinding lights has been very extensive and offensive in many localities, and especially in cities to the north. It is the intention to do away with this unnecessary nuisance and the enforcement of the law will be noticeable at once.

Ward's
LEMON-CRUSH

"—hey, fellers—c'mon over! Lemon-Crush! Hurry up! Gee whilkens, but it's good!! Yes, the kids can drink all they want—for it is made by the exclusive Ward process from nothing but the pure delicious oil pressed from California lemons, finest granulated sugar, carbonated water and citric acid, the natural acid of the lemon. Lemon-Crush is the companion drink to Ward's Orange-Crush.

IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Mt. Sterling Homes

Hard to do housework with a aching back.
Brings you hours of misery at leisure or at work.

If women only knew the cause—that
Backache pains often come from weak kidneys

"I would save much needless woe.
Donn's Kidney Pills are for weak kidneys. Ask your neighbor.
Read what a Mt. Sterling citizen says:

Mrs. R. R. Warner, Harrison ave., says: "I felt dull and languid and had soreness and dull aches across the small of my back. The action of my kidneys was irregular and I had no energy to do my work. I read of Donn's Kidney Pills and used them and they quickly rid me of kidney trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Donn's Kidney Pills—the same that Mrs. Warner had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Don't skim the cream off the milk of human kindness before peddling it out.

It is no wonder a man loses his power of speech when talking to a girl who is "too sweet for words."
